

# Something special for your conference

Open Clasp's plays address a wide range of issues which can be difficult to address through discussion alone. This makes us ideally placed to help make your conference successful and memorable by providing an engaging, authentic and stimulating session during your event.

Issues we can provide stimulus for include, women exiting prison, drugs and alcohol, sexual exploitation, racism (asylum seekers), domestic violence, sexual violence, same sex sexual violence, homelessness and mental health.

Open Clasp's skilled and experienced facilitators can also facilitate sessions with your delegates and produce a report documenting the work carried out.

If you would like to find out more about how Open Clasp could be involved in your event please contact us on **0191 2724063** or at **[info@openclasp.plus.com](mailto:info@openclasp.plus.com)**
